**The applicant who takes the internet-based interview needs to submit “Information needed for internet-based interview” to the prospective supervisor in Kumamoto University.**

Following instruction is given to assist the internet-based interview of the Graduate School of Pharmaceutical Sciences, Kumamoto University

1. A DOS/V computer with Windows Vista, Windows 7,8 or 10 as an operating system is needed.
2. A free-software, “Skype” is going to be used for the internet-based interview.
3. The applicant must supply a user account of “Skype” and an e-mail address which is going to be used in the internet-based interview to the prospective supervisor in the Kumamoto University.
4. After receiving the application, the committee of the Graduate School of Pharmaceutical Sciences in Kumamoto University notifies a user account of “Skype” to make an access to a computer in Kumamoto University.
5. Language used in the interview is English.

Procedure

1. The committee of Graduate School of Pharmaceutical Sciences in Kumamoto University initiates the access to a computer of an applicant at an appropriate time decided beforehand.
2. After confirming applicant’s photo-ID, the committee declares the start of the interview of Graduate School of Pharmaceutical Sciences.
3. At least, three committee members will ask the applicant several questions in turn.

Note: The committee strongly recommends the applicants to go through a rehearsal of the internet-based interview with a prospective supervisor in Kumamoto University.
